Report accompanying the revised estimate for the work of preparation of up-to-date plans of Shimoga Town

1 Government in G O No 7172-4/M L 9-46-44 dated 18-11-46 sanctioned two surveyors for two months, the total estimated amount being Rs 990/

2 Only one surveyor reported for duty on 2-1-1947

3 As the work was not completed within two months, Chief Engineer for Irrigation was addressed in this office No 1144 dated 2-4-47 for continuance of establishment of only one surveyor for another five months ie , to end of July 1947, The Revised cost of establishment and other charges amounting to Rs 1,200/

4 As the work was still incomplete on account of the detailed verification of Shimoga Town and revision of the old plan, proposals for continuance of establishment by another five months was submitted in this office No 118 dated 25/31-7-1947, the total cost amounting to Rs 2,600/

5 This amount of Rs 2,600/ has been deposited by the Shimoga Town Municipality

6 The work has been completed by surveyor on 31-12-1947 But a revised estimate is necessitated mainly due to the enhancement of the pay of surveyors from 1-12-47 Also the thirty eight block plans and two key plans, prepared have to be traced in ink, and provision for two tracers for completing the same has been made in the estimate for a total amount of 3,400/

7 The president of Shimoga Town Municipality will have to deposit the balance amount of Rs 800/- towards the above
